plete in the United States

The C. F. Sauer Co., - - Richmond, Va.

The National Association of Master Bakers

now holding its Seventeenth Annual Convention at the Hotel Jefferson, Richmond, Va., works constantly to secure the best sanitary and hygienic conditions in all factories devoted to the manufacture of food products.

The bakeries of to-day are better bakeries than of old, because of the work of the National Association of Master Bakers.

Its members believe that the HIGHER THE QUALITY OF THE GOODS they make, the more the public will buy, and they constantly aim to improve every department of the baking business.

The Local Members of the National Association of Master Bakers are:

AMERICAN BREAD & BAKING CO. NOLDE BROTHERS.
BROMM BAKING CO. J. N. SOLOMON.
IWAN MUELLER. PURITY CORPORATION.
CLARKE'S BAKERY.

All bakers, wholesale and retail, are cordially invited to attend the meeting of the National Convention, at the Hotel Jefferson;

Tuesday, Wednesday, Thursday and Friday, Oct., 20-23, 1914

BREADMAKERS ASSEMBLE FOR ANNUAL CONVENTION

(Continued From First Page.)

scores of representatives of concerns manufacturing bakers' supplies and accessories attending the convention. Representatives of these concerns have arranged attractive exhibits of their products in the hotel lobby. Yesterday the exhibits were inspected by hundreds of the bakers, and attracted much favorable comment.

A meeting of the executive committee of the association was held yesterday afternoon. It was called merely for the purpose of discussing the various matters which will come before the sessions of the convention which will follow.

Last night many of the delegates were wearing badges on which appeared the slogan, "Columbus Next," and, while the Buckeye State seems first in the race, it is likely that the contest in selecting the next meeting place will be a lively one. The convention last year was held at Buffalo, N. Y., and it is, therefore, likely that some Western city will entertain the bakers in 1915.

During the convention The Bakers' Weekly, a trade publication of New York City, will issue an attractive daily, carrying convention news with a corrected list of delegates registered. The daily will make its initial appearance this morning.

Officers of the National Association of Master Bakers are: president, Mark Breslin, Toronto, Canada; vice-president, George M. Haffner, Fort Wayne, Ind.; secretary, B. P. Whitecar, Philadelphia; treasurer, Charles F. Abbott, New York; executive committee—W. H. Korn, Dayton, Ohio; Jay Burns, Omaha, Neb.; F. S. McDonald, Memphis, Tenn.; J. W. Miller, Louisville, Ky.; Paul J. Stern, Milwaukee, Wis.; G. W. Bowser, Pottsville, Penn.

The local committee on arrangements is composed of the following: J. J. Mat- tern, chairman; A. J. Clarke, secretary; J. N. Solomon, J. H. Nolde, S. O. Linderman, A. H. Nolde, E. Perkinson, E. A. Bromm, H. C. Chamberlain, Isadore Cohen, C. W. Timmons, H. B. Christian, L. R. Shackelford, William Nolde, George F. Nolde, Rudolph Nolde, W. C. Mcneal, of Roanoke, president of the State organization; A. S. B. James, Kennett Cherry, E. P. Taylor, and C. E. Lackland.

Wives and daughters of the local committeemen on reception and entertainment, are looking out for the accommodation and entertainment of women attending the convention.

No Reports Received.
Although Circuit Court judges in several counties have summoned special grand juries, as required by law, to review tax returns, no grand jury's report has yet been forwarded to State Auditor C. Lee Moore, according to a statement made by the Auditor yesterday. He anticipates early reports. As the first is yet to be received, the Auditor is under the impression that none of the investigating bodies has completed its inquiry into tax returns. It is the duty of the clerk of the court to acquaint the Auditor with the findings of the grand jury as early as practicable after the grand jury's report is submitted to the court.

To-Day's Official Program

MORNING.

POSTPONE PRESENTATION TO MORE AUSPICIOUS TIME

Commission Approves Site in Trafalgar Square for Statue of George Washington.

Lieutenant-Governor J. Taylor Elliott, chairman of the Houdon Statue Commission, appointed by the last Legislature to present a duplicate of the famous statue of Washington to the United Kingdom of Great Britain and Ireland, yesterday addressed a communication to Governor Stuart giving formal assurance that the site chosen for the statue in Trafalgar Square, London, England, is entirely satisfactory to the commission. The chairman suggests that the formal presentation be deferred until a more propitious time, the date to be fixed later. The presentation will be accordingly postponed indefinitely, probably until peace shall have been restored in Europe. General Assembly appointed by the gift to the United Kingdom of Great Britain and Ireland consists of the Governor, Lieutenant-Governor, Speaker of the House of Delegates and Clerk of the Senate. Governor Stuart some time ago designated to serve for him on the commission State Senator G. Latham Fletcher.

Reports Watch Stolen.

O. R. Yates, 509 North Tenth Street, yesterday reported to the police that his Elgin watch, gold chain and locket had been stolen from the pocket of his coat at the tennis court in William Byrd Park. The watch was valued at \$25.

Bromm's Bread

Is a

Bread of Quality

Therefore, it is, of course, nourishing and wholesome. But "Bread of Quality" means more than merely a Nourishing Bread—it is tasty. People LIKE to eat our Bread in its various forms.

Once you get the "Bromm Bread Habit," you'll never say, "Oh, I'm tired of bakers' bread." For our Bread isn't ordinary bakers' bread, pure as that may be. Bromm's Bread has that different taste that goes with First-Class Home-Made Bread, of which one never tires.

And Bromm Pies and Cakes set the standard for goodness in Richmond. For proof ask anybody that lived in Richmond within the past fifty years.

A cordial invitation extended to all visitors to inspect our new plant—one of the most complete in the South.
